

# RUM

The lavish demerara-laden nose of aged rum is the sun-runner's carrot when ocean thirsty and in search of sand. The draw of a couple ice cubes, and a long splash of mahogany-hued nectar has propelled Albertan's island hopping for as long as they have been applying sunscreen. This year's selections were decadent, charming, and well-worth exploring. Top spot sits with Flor de Caña's 25 year from Nicaragua, a glorious unctuous bombshell of a rum – and a three-way tie for young rums. *Brad Royale*
