

SINGLE MALT WHISKY

There was a time when we wouldn't expect to see entries from anywhere other than Scotland in the Single Malt Whisky category, and it speaks volumes of the enormous and exciting variety of all alcoholic beverages available in our province that this year we have winners from five different countries. Our two Best in Class winners couldn't be from more different environments – from the remote, cold, wet and windy, Hebridean Isle of Mull, off the coast of Scotland, to an urban distillery in the sunny, dry and hot climate of Tel Aviv, Israel! *Linda Garson*
