

CLASSIC GIN AND GENEVER

There are countless ways to enjoy gin and I was feeling particularly inspired after tasting through this wildly diverse category. Martinis, Gin & Tonics, Gin Fizz, Fruit Cup, Gin & Cucumber, and so much more, each bottle inspires a different approach. Best here offer aromatic and flavour characteristics that are persistent, and authentic with balanced complexities. It's fantastic to see some Canadian gins in the top spots, and really hits home the exciting growth of the local gin market. *Jenny Book*
