

FRUIT FORWARD

We always have a few things that don't quite fit into other, more established categories, but still show well and show off at the same time. These two products were some of those. We have a melon soju from South Korea that is remarkable refreshing (and versatile in a cocktail!) and a ready to go sangria that saves a lot of time in a pinch, and is pretty darn good too. *Tom Firth*

BEST IN CLASS

**GOOD DAY
MELON SOJU**
South Korea
